How do the pictures on the right focus pose significant perspectives for women's fight for political rights?

## Women's fight for political rights...

Women began gaining more male supporters following their large contribution to the war, and willingness to fight within. This Y.W.C.A. cover displays the encouragement not only for women in the workforce, but to support the women within the workforce.

## What symbolism do you see?

Just like other human rights movements/ we speak for women within these other ethnicities, women deserve their part in political views.

This could also symbolize migration for a better life, women are fighting for just that.
